

Shodex

www.shodex.de

Shodex™ is the brand name of the high performing HPLC columns manufactured by Showa Denko K.K. Shodex is a one of the leading Japanese chemical companies, offering a wide range of products. The advanced polymer-based HPLC columns have the largest market share in Japan.

Columns:

- [NP & RP \(Normal & Reversed Phase\)](#)
- [SEC \(Size Exclusion Chromatography\)](#)
- [Saccharides & Organic Acids Analysis](#)
- [IEX \(Ion Exchange Chromatography\)](#)
- [IC \(Ion Chromatography\)](#)
- [HIC \(Hydrophobic Interaction Chromatography\)](#)
- [Affinity Chromatography](#)
- [Chiral Separation](#)
- [LC/MS & Rapid Analyses of Medicines](#)
- [Exclusive Use](#)
- [Calibration Standards for SEC](#)
- [Column Switching](#)
- [GPC Clean-up Detectors](#)
- [New products](#)
